

The Pullman City Council welcomes you to tonight's meeting. The Council appreciates and encourages public participation. For regular agenda items, an opportunity for public comment is usually provided after the staff report. However, the formality of procedures varies with the purpose and subject of the agenda item; therefore, the Mayor may exercise discretion in deciding when to allow public comment during the course of the proceedings and limitations will be placed on the time allowed for comments. Citizens wishing to comment on business which is not on the agenda will be provided the opportunity to do so under NEW BUSINESS. If you plan to address the Council, you will find a list of "Tips for Addressing the Council" on the public information table in the City Council Chambers. Thank you for your interest in City government.
