REGULAR AGENDA

Public Hearings

Resolution No. 11. Mayor Johnson announced that a public hearing is
R-61-10 - Capital scheduled on the Capital Improvement Program.
Improvement Planning Director Dickinson presented the staff
Program report. City Supervisor Sherman went through his
memorandum and pointed out some highlights to the
Council. It was a Council goal to have a \$350,000
target for the CIP program each year and he said
our expenditures fell below this figure for the
last several years. In 2007 we only expended
\$257,403. In 2008 we expended \$234,255, in 2009
\$234,256, and for 2010 we had projected \$243,704.
He noted that the CPI index was released for the
current period. It showed a decline of one-half
percent and he felt that the IPD could be negative
again this year.

Mayor Johnson opened the public hearing. Janice
Brown was the only speaker and she was concerned
that we need to set aside infrastructure for
plug-ins for electric cars seeing as more vehicles
are going electric. All the main manufacturers
will have electric cars by this year. She stated
that there are also electric motorcycles and carts
that could benefit from this.

Mayor Johnson closed the public hearing.

Resolution No. R-61-10 by title only reads as
follows:

A RESOLUTION APPROVING A SIX-YEAR CAPITAL
IMPROVEMENT PROGRAM FOR THE CITY OF PULLMAN FOR
CALENDAR YEARS 2011 THROUGH 2016.

Councilmember Bloom moved, Councilmember Hawbaker
seconded to adopt Resolution No. R-61-10.
Councilmember Waldrop proposed an addendum to the
resolution. Since there is no permanent funding
or source of revenue for the CIP he proposed putting
aside a percent of the sales tax increase from the
current year level going forward in either an
enterprise fund or some other separate fund. The
addendum to the Resolution is as follows:

“Whereas, there is no dedicated revenue stream for
critical Capital Improvement Projects and It is
Further Resolved by the City Council of the City
of Pullman that a separate enterprise and other
fund be created into which specified percentage
of retail sales tax be placed that are in excess
of the current level of retail sales taxes now being
collected.”

Councilmember Bloom moved, Councilmember Paul
seconded to approve this amendment.
Councilmember Weller stated that he fully
supported Janice Brown’s proposal for electrical
outlets. The motion carried unanimously.

Resolution No. 12. Mayor Johnson announced that a public hearing is
R-62-10 Trans- scheduled on the Transportation Improvement
poration Improve- Program. Public Works Director Workman presented
ment Program the staff report. There were no questions of the
staff report.

Mayor Johnson then opened the public hearing.

There were no comments. Mayor Johnson then closed the public hearing.

Resolution No. R-62-10 by title only reads as follows:

A RESOLUTION APPROVING A SIX-YEAR TRANSPORTATION IMPROVEMENT PROGRAM FOR THE CITY OF PULLMAN FOR CALENDAR YEARS 2011 THROUGH 2016.

Councilmember Wright moved, Councilmember Bloom seconded to adopt Resolution No. R-62-10. The motion carried unanimously.

Ordinance No. 10-15 - Alley Vacation 13. Mayor Johnson announced that a public hearing is scheduled on an alley vacation. Assistant Public Works Director Gardes presented the staff report and recommended approving the alley vacation.

Mayor Johnson opened the public hearing. There were no questions or comments and Mayor Johnson closed the public hearing.

Ordinance No. 10-15 by title only reads as follows:

AN ORDINANCE VACATING A PORTION OF AN ALLEY EAST OF MONROE STREET BETWEEN OAK STREET AND CAMPUS STREET IN REANEY'S 2nd ADDITION.

Councilmember Waldrop moved, Councilmember Benjamin seconded to adopt Ordinance No. 10-15. The motion carried unanimously.

Motions

Transit Routes 14. Mayor Johnson announced that a motion is requested approving a change in operational hours for Transit E and A routes. Transit Manager Thornton presented the staff report recommending that the changes be made.

Councilmember Paul moved, Councilmember Benjamin seconded to approve the change in operational hours for Transit E and A routes. The motion carried unanimously.

Councilmember Paul asked if they could get buses to the Whispering Hills project off Wawawai Road. Transit Manager Thornton stated they had investigated this and it is not currently feasible to run a route through the Whispering Hills houses and out to Wawawai Road. He stated that possibly in the future when Golden Hills Drive goes through this will be a better time to reconsider going into this area.

Aquatic and Fitness Center Discounted Rates 15. Mayor Johnson announced that a motion is requested approving selling Pullman Aquatic and Fitness Center memberships at a discounted rate of 50 percent for the month of September as part of the Aquatic Center 10-year anniversary celebration.

Recreation Superintendent Dahmen presented the staff report. Councilmember Bloom wanted to know how the previous year's 20 percent reduction affected sales in September and how September sales compared to other months. Recreation Superintendent Dahmen responded that September was by far the best month for memberships. Councilmember Waldrop thought this was an excellent marketing opportunity for the pool system to get their name out there among all the

competing factors in Pullman.

Councilmember Waldrop moved, Councilmember Bloom seconded to approve selling the memberships at 50 percent for the month of September. The motion carried unanimously.

Discussion

Proposed 2011 16. Mayor Johnson announced that a discussion is
WSU Fire Services Agreement scheduled on the proposed 2011 WSU Fire Services Agreement. City Supervisor Sherman presented the staff report and made comments that he would like to see a multi-year contract. Mayor Johnson pointed out that probably WSU would too. Councilmember Benjamin wanted to verify that the percentage was applied to the adopted budget. City Supervisor Sherman asserted that it was. Mayor Johnson pointed out that it is highly important to make sure the adopted budget is as correct as can be. Councilmember Wright wanted to know if this was the first time we would use a rolling average. City Supervisor Sherman indicated it was. That, in the past, we would just use one or two years in the analysis. Councilmember Wright was in favor of the rolling average because she had worked with it before and it worked well. Councilmember Paul wanted to know if the 21.2 percent applied to the adopted budget equaled the proposed amount of \$851.85. City Supervisor Sherman indicated that it did.

NEW BUSINESS

Mayor Johnson asked if there was any new business from either the Council or audience. Benjamin Derrick indicated he lived on Larry Street and he wanted to bring to Council's attention that he commutes from his address to campus and he said there are several communal areas along the way where there is too much trash. He would like to see the City get more workers out there picking up the trash along the way. Councilmember Paul thanked him for his concern for the City and thought that this would be a good project for various volunteer groups to take care of it.

Councilmember Bloom indicated he does a lot of walking and Mr. Derrick was right on in his assessment that there is a lot of trash around the City.

Councilmember Waldrop indicated this would be a perfect work release program that we should consider trying to get that worked out to help with the trash situation.

The next speaker was Janice Brown who indicated she was in full support of the Fire Department and that in negotiations we should come with an open mind and not have any restrictions such as we had talked about with zero pay increases.

ADJOURNMENT

Councilmember Bloom moved, Councilmember Wright seconded to adjourn the regular meeting of the City Council.

Motion Carried.

Mayor Johnson adjourned the regular meeting of the City Council at 8:21 p.m.
