

Public Meeting on Business Registration

The Pullman City Council will hold a public meeting on business registration at 7:30 p.m. Tuesday, April 8. At the city council meeting on Jan. 8, the council discussed rental housing and business registrations. The council opted to gather more information from the public before making a decision about the issue. An adopted city council goal is to explore implementing a business registration program so that the city can obtain needed emergency contact information. The public meeting will be held in the council chambers in conjunction with the regular city council meeting.
