Audit Summary

**City of Pullman
Whitman County
September 7, 2011**

ABOUT THE AUDIT

This report contains the results of our independent accountability audit of the City of Pullman from January 1, 2009 through December 31, 2010.

We evaluated internal controls and performed audit procedures on the activities of the City. We also determined whether the City complied with state laws and regulations and its own policies and procedures.

In keeping with general auditing practices, we do not examine every transaction, activity or area. Instead, the areas examined were those representing the highest risk of noncompliance, misappropriation or misuse. The following areas were examined during this audit period:

- Billings/receivables
- Contracts/agreements
- Restricted funds
- Open public meetings/records laws
- Building permit process
- Disbursements/expenditures
- Conflict of interest/ethics laws
- Police – financial operations, custody of evidence and unclaimed property

RESULTS

In the areas we examined, the City's internal controls were adequate to safeguard public assets. The City also complied with state laws and regulations and its own policies and procedures in the areas we examined.

AUDIT HISTORY

We audit the City annually. This audit marks the 10th in a row the City has not received an accountability finding.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

Our mission is to work with our audit clients and citizens as an advocate for government accountability. As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

The State Auditor's Office employees are located around the state to deliver services effectively and efficiently.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments and fraud, whistleblower and citizen hotline investigations.

The results of our work are widely distributed through a variety of reports, which are available on our Web site and through our free, electronic subscription service.

We take our role as partners in accountability seriously. We provide training and technical assistance to governments and have an extensive quality assurance program.
