

## **PUW Rates for FY 2012**

The Airport Board reserves the right to set and impose rates and charges for operations at PUW. Rate schedules are subordinate to any current lease agreement held with an entity and the Pullman Moscow Regional Airport. The following schedule details the rates for FY 2012.

- |  |  |
|--|--|
| 1. Landing Fee Scheduled Air Carrier                           | \$1.00 per 1000 lbs MLW.                       |
| Unscheduled Air Carrier / Charter                              | \$1.35 per 1000 lbs MLW.                       |
| 2. Landing fees for A/C over 7,000 lbs/ MLW                    | \$1.15 /1000 lbs MLW.                          |
| Charged to Non- Based Aircraft                                 | \$15.00 Minimum Charge                         |
| 3. Aircraft Parking Fees –                                     |  |
| - Aircraft (< 12,500 lbs Mtow)                                 | \$5 / night   \$50 / month and   \$325/ Annual |
| - Aircraft (>12,501 lbs Mtow) and small Helos (>4,000lbs mtow) | \$ 10.00 / night.                              |
| -Aircraft (15,001 -45,000 mtow) and Helos (4,001 -6000 mtow)   | \$15.00/ night                                 |
| - Aircraft (>45,001 MTOW) and Helos ( > 6,001 MTOW)            | \$20.00 / night.                               |

Monthly and Annual Parking fees for aircraft over 12,501 lbs and Helos over 4,000 lbs will be evaluated by the airport on a case by case basis factoring size, weight, and available space.

The FBO may collect the Parking Fees from transient aircraft as set by the airport and retain 35% of the fee for handling the collection with the right to offer 2 free days of parking for sale of fuel. Fees so collected will be remitted to the airport each quarter with a record of collection / non collection by N number for billing / audit purposes. Aircraft Fees set by the Airport shall be publicly and conspicuously posted in the FBO. Landing fees shall be collected by the airport on a contracted basis using a 3<sup>rd</sup> Party Firm. Landing and Parking Fees may be waived or adjusted by the airport at its sole discretion.

4. Airport Terminal Space – Individually negotiated rate based on area and location.
5. Ground Rate FY 12 - .135/sqft/ann   FY 13- .165/sqft/ann based on Rate Survey 2011 per lease requirement. Applies to new leases and 5 year updates as a 1<sup>st</sup> and 2<sup>nd</sup> year step.
6. Hangar Rental (Airport owned) \$175 / mo.
7. Long Term Auto Parking \$4 / day   \$28 / week \$80 / month maximum
8. Rental Car Concession Fee – \$5.00 per Rental Day.
