### **LEAGUE NOTES:**

- **Over-the-fence home run limits per game are:**
  - "A" league games are allowed 3 (three) more than their opponent**
  - "B" league games are allowed 2 (two) more than their opponent**
  - "C" league games are allowed 1 (one) more than their opponent**
- Each batter will begin their at-bat with a 1-1 count. Batters will be allowed one "courtesy foul ball" per at-bat after they have two strikes.
- Each team must have at least 8 players (4 females, 4 males) to start a game. **No outs** will be taken for the 9<sup>th</sup> or 10<sup>th</sup> batting position.
- 10 players: 2 males and 2 females in both the infield and the outfield, and 1 male and female as pitcher and catcher.
- A game may begin with 9 players, but when and if another player arrives, that player must be inserted into the lineup at the 10th batting position. Whenever a team is playing with only 9 players, **AN OUT** will be taken when the 10th position in the batting order appears. Teams beginning the game with 10 players may not add any more players. \*\* See rule packet for further clarifications.
- The batting order shall alternate sexes. The only exception is when a team is playing with 9 players, in which case that team must take an out for the 10<sup>th</sup> batting position.
- The rainout information line is updated two hours prior to game time or ASAP in case of inclement weather. Please call **334-3131**.
