Mission Statement

The Pullman Police Advisory Committee is a volunteer group whose members contribute their time and talents to promote public safety, form a liaison between the community and the police department, and assist in educating our community for a better understanding of the respective responsibilities of police and citizens.

Committee History

Formed in 1992, the Pullman Police Advisory Committee is comprised of citizens from various Pullman constituencies. The Committee meets once a month with the Chief of Police to address community concerns and issues that have been brought for discussion by committee members or by members of the public.
