Less hassle. Automatic utility payments.

The city of Pullman offers an easy and convenient automatic payment service. To participate in this program, customers must complete an agreement form and provide a voided check. With your authorization, the city will automatically deduct your monthly water bill payment from your bank account. To subscribe to the Automatic Payment Service, form needs to be submitted by the 10th of the month. The city finance department will perform a zero dollar test payment the first month following the receipt of the completed form, so the first automatic deduction will occur during the second month. The automatic deduction will occur on the 15th of each month.

If you wish to utilize the automatic payment service, please print, complete and send the [Agreement for Pre-Authorized Debit](#) to: City of Pullman, Finance Department, 325 SE Paradise St., Pullman, WA 99163. Or, customers can pick up an application in the Finance/Administration office in city hall or request one by calling 338-3204 or 338-3278.
