

Water/Sewer Stormwater Utility Rates

What are the residential water, sewer and stormwater rates?

The minimum monthly water, sewer and stormwater charge for a single family residence is \$58.90. Additional charges apply when water consumption is above 500 cubic feet.

When are the summer consumption rates in effect?

To promote water conservation, summer consumption rates are in effect between June 1 and October 31.

What can I expect the water and sewer rate increases to be?

On September 16, 2009, the Pullman City Council adopted [Resolution R-54-09](#) which set the city water rates and [Resolution R-55-09](#) in regard to sewer rates, for the period beginning November 1, 2009, through 2014.

How can I order new or change existing water and sewer service?

Changes to existing utility accounts must be received by the finance department in writing from the owner or property manager. To make changes to existing service (turn on/turn off), complete a change order form. New owners must complete an application requesting utility service. A signature is required. Print, complete, sign and submit the appropriate form:

By fax to (509) 334-3751

By mail to Finance Department, 325 SE Paradise St. Pullman WA 99163

In person between 8 a.m. and 5 p.m. Monday-Friday except holidays. Main floor above the parking garage at the west end of the building.
