Request a Copy of a Police Report

In order to obtain a copy of a Pullman Police Department case report, we will need the following information:

1. A written letter of request listing your full name(first, middle, and last), date of birth, Social Security Number, and anything else that will help us to identify that we are researching the correct person in our database (driver's license number, sex, race, etc.). This letter needs to have your signature.
2. Identify in the letter exactly what you are looking for. For example: if you are looking for a copy of a report what is the case report number? If you don't know the number, when did the incident happen, what type of incident, where did it happen, how were you involved, etc. Again, anything that will help us identify what you are looking for.
3. We need a clear copy of a government issued photo ID that has your name, your signature, and your photo on it. This can be your driver's license or your passport.

You may mail these items to:

Pullman Police Department
Attention: Records Department
260 SE Kamiaken Street
Pullman, WA 99163

As soon as we receive these items from you, we can search our local database and advise you of the cost of the report. We charge \$.15 cents per page copied. Once we have received payment, we will mail out the report you requested. Please be sure to send us an address of
