

Throughout the two year grant period (2011-2013), the Pullman Police Department will post "Requests for Proposals" for completion of various phases of the federally grant funded Safety Camera Initiative (SCI) Project. Currently open requests will be listed below.

RFP #1 - Camera System

(Closes February 24, 2012 - *please note date change*)

- [Official Notice of Request for Proposal - Camera System](#)
- [Request for Proposal Document - Camera System](#)
- [RFP #1 - **Addendum No. 1** - Camera System](#)
- [RFP #1 - **Addendum No. 2** - Camera System](#)
- [RFP #1 - **Addendum No. 3** - Camera System](#)
- [RFP #1 - **Addendum No. 4** - Camera System](#)

RFP #2 - Microwave System

(Closes February 13, 2012)

- [Official Notice of Request for Proposal - Microwave System](#)
- [Request for Proposal Document - Microwave System](#)

The Pullman Police Department also has hardcopy RFP packets available to be mailed upon request. Additionally, the Pullman Police Department has compiled a significant collection of photographs of the proposed project area and has burned these photos to a disk.

To request a hardcopy RFP packet and/or a photo disk, please contact the Pullman Police Department at (509) 334-0802 and ask to speak to the Project Manager, Elysia Spencer, or Jerry Cork, the I.S. Specialist or submit your request via email by clicking [here](#) .
