Stan Buckley, a member here, will be instructing Driver's Safety Class this month in Pullman. The dates for his class will be May 14 & 15.

Please call him at 334-1306 and check out the flyer on the bulletin board for more info.

From the Senior Coordinator—Steve Bell

The month of May is proclaimed to be "*Older Americans Month*" and this year's theme is "You are Never Too Old to Play". Throughout ones life, you make choices of work and play. Once you retire, you should just have to make choices of what to "play" next. So join others here at our Center who choose to stay busy and have fun. Try a new activity, travel to a unique place, volunteer to help with an event, or try to do something you think would be fun. Play Hard!
