Credit Card Fraud Investigation – Update Pullman Residents & Businesses Can Report Fraud Online

PULLMAN – The Pullman Police Department and the United States Secret Service are continuing their investigation of numerous credit card frauds victimizing Pullman and local area residents. Over 200 cases of credit card fraud have been reported to Pullman PD since September 19, 2011. Pullman PD investigators are working with the U.S. Secret Service to identify the perpetrators and how the credit card information was acquired.

Residents and businesses who believe they have been a victim of credit card fraud should first contact their credit card issuer to report the fraud and cancel their card, and then contact the Pullman Police Department to initiate a criminal investigation. Pullman residents and Pullman businesses can report the credit card fraud online at the Police Department website: www.pullman-wa.gov/police.
